Announcements for the week of March 26, 2017

UTO Boxes are now available! They are for making contributions whenever we feel thankful and offer a great way-especially for children-to make a daily offering of thanks for the blessings we receive.

The proceeds received from the UTO boxes support the Mission Outreach of The Episcopal Church. Boxes will be collected on Pentecost, Sunday, June 4. Thank you! ~ Judy Moeckel

The 135th Annual Meeting of the Episcopal Church Women in Connecticut

(ECWCT) will take place on **Thursday, May 4, 2017** at the Aqua Turf in Plantsville (Southington). The Guest Speaker will be The Rev. Kim Jackson, Episcopal Associate Rector for Adult Formation and Christian Social Action Ministries at All Saint's Episcopal Church, Atlanta, Georgia.

This is a reserved seating-only event; the registration fee of \$20 includes lunch.

Please make checks out to me, so I can send in one check for Epiphany. I need your payment by April 10, 2017.

This annual event is always well-attended, and, besides a great speaker and good food, it gives women (and men!) a chance to meet members of parishes around the state. --- Judy Moeckel

PEANUT BUTTER - DON'T FORGET! Epiphany has a goal of 50 jars of peanut butter per month for the Amazing Grace Pantry. If each family purchased one jar a month, we would reach our goal! Just think - one a month... or, two, to help someone in need. Donation bins are in the narthexes. Thank you for your generous heart!

Registration now open for Summer Camp!

The brochures to register for summer camp at Camp Washington are now available in the parish hall. Information is also available online at www.campwashington.org

Entertainment ~ DJ Michael John Valenti, Long Island Sounds Entertainment

Just by eating a spaghetti dinner, you will make a huge impact on the 42 children at Copprome Orphanage in El Progreso, Honduras, by providing an educational after-school program and supporting the different schools they attend. All the funds collected pay the salary of a full-time teacher, two teaching assistants, purchase needed school supplies (notebooks, paper, pens, pencils, glue, and countless scholastic products), and pay for the university education of a Copprome graduate. You will also provide the children with a much needed special education teacher in the near

future.

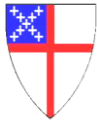

We wish you could see how well the children are all doing and the progress they have made! One young boy who HCP pays to attend a private bilingual (English) school – this past year he “graduated with honors”!

Help from supporters such as yourself are vitally important to our cause; without you, we would not be able to continue our programs. If you have any questions please visit our website www.honduraschildrensproject.org.

We are very grateful for your support and most sincerely hope you can come!
